

Petalouda

This collection was brought to life through a collaboration between Spazio Nobile Gallery - representing portugese artist Bela Silva and RIANNA + NINA. Drawing inspiration from the textile work of the collection along with ancient murals and Portugese Azulejos tiles, Bela Silva crafted a seven-piece set of sculpture jewelry by hand and merges her polychrome imaginary world with RIANNA + NINA's. This collection captures a free spirit and *joie de vivre*, exuding the same positive energy and craftsmanship from both creators.
